

**Universal PLM Adapter for MS Dynamics AX/GP/NAV/Dynamics 365****SUBSCRIPTION PRICING**

Customers have the right to use the software under an active subscription only (renewed annually). Subscription includes the right to use the software and technical support services. Software may be used on your own server or a hosted server that customer contracts for. Each subscription is limited to running on one production server (additional development and test servers are permitted), supporting one Dynamics production environment and one PLM/PDM data source. Contact QBD for additional pricing options.

**Business Central, Dynamics AX/GP/NAV**

Annual Subscription Fee	\$6,500/year
Implementation/Configuration Charge (One-time charge)	\$5,000

**Dynamics 365 Finance and Operations (F&O)**

Annual Subscription Fee	\$7,500/year
Implementation/Configuration Charge (One-time charge)	\$7,000

Standard implementation charge includes the configuration of our integration for items (including custom fields), bills of materials, manufacturing/vendor part numbers and two additional tables (standard or custom tables). Configuration of additional objects may incur an additional cost. Contact QBD for more information.

This price list supersedes any earlier price lists. All prices subject to change without notice. All prices in U.S. Dollars. Resellers should call for margin information.

The logo for QBD Systems, featuring the text "QBD Systems" in a bold, white, sans-serif font. The text is set against a green rectangular background with a white grid pattern.
